

NEW F&B OFFERINGS IN EDUCITY

Del's Kitchen @EduCity Iskandar

A name that's quite familiar in the Johor Bahru food scene, Del's Kitchen recently opened a new outlet at EduCity Iskandar, allowing students and residents in the area to savour its local cuisine.

For years, many Johorians have enjoyed Kak Del's favourites, including the ever-popular Kuay Teow Goreng, including traditional favourites such as Nasi Ambang and the iconic Laksa Johor, all in the comforts of EduCity Iskandar. Wash it down with some teh tarik and ice lemon tea.

Using only the best ingredients to ensure they maintain the authentic taste of their dishes, foodies can also enjoy traditional Malay snacks like kuih keria and kuih ketayap.

Located at EduCity Hub, the operating hours are from 9 am to 5 pm daily. Delivery is also available via FoodPanda.
