

INTRODUCING FASTSPACE'S BEGIN NIAGA PROGRAMME 'GET YOURSELVES GIGGED' FEATURING GIGXGLOBAL

24th February 2021 – FastSpace is proud to introduce its first programme under the Begin Niaga theme. Located at EduCity Hub, FastSpace is an innovative Coworking Space + in which it offers more than physical facilities and content to support entrepreneurs' development.

The first of its many programmes under the Begin Niaga theme is content customised to supports new businesses and mentoring programmes.

The first under Begin Niaga is a webinar featuring Shareen Shariza Dato' Abdul Ghani, C.E.O. and Co-Founder of GigXGlobal. In the one-hour session with the topic of 'Get Yourselves Giggled', Shareen covers essential tips for startups and gigsters to understand how to navigate their way to set up their business.

Other programmes that will be introduced are Moolah Start-up, which focuses on Digital Entrepreneurs and Spark, organised as networking sessions for FastSpace tenants to key industry players and relevant agencies.

This content positioned FastSpace as more than just a coworking space but provided the plus points in their many efforts to support their tenants and the startup's community.
